10. Based off Lenin's quote how does he think Stalin would be as a leader? Cite specific details from the passage to support your answer.

11. Underline or highlight a sentence from Tatiana's testimony that stands out to you the most and write a reactions to it.

12. Based off the data from SOURCE H how successful were the 5 Year Plans?

13. What reasoning does Stalin give as to why the Communist Party is against religion?

14. How have literacy rates been effected post Russian Revolution?

From this side of the handout identify two documents that a historian would need to take into account either the source of the document or the author's point of view that might indicate bias and explain.

ESSAY: On a separate piece of paper compose a well written essay comparing life for Russians pre-revolution to life under Stalin. Which situation were the citizens better off under? Cite specific examples from the sources on this handout and/or your notes/book.
